LOT 470 - [✓] [MSRP: \$43.98] Paslode 1-1/2 in. x 16-Gauge 20° Galvanized Angled Nails (2000 per Box)

Description

About This Product - Paslode 1-1/2 in. x 16-Gauge 20° Galvanized Angled Nails (2000 per Box)

Paslode 1-1/2 in. x 16-Gauge Galvanized Angled Finish Nails cut jams and wood splitting down to size. Designed to work hand-in-hand with Paslode finish nailers, the 16-Gauge size creates a smaller hole so retouching is seldom needed. Since the nails chisel point helps prevent splitting in expensive trim woods, you save material costs from re-dos. Finish with precision for a top quality job.

Highlights

- Work with Paslode finish nailers to cut jams and wood splitting down to size
- Great for use in door stops, window casings, baseboard molding, paneling, base shoes and other finish work
- 16-Gauge size creates a smaller hole so retouching is seldom needed
- Strong, stiff nail ensures consistent drivability
- Galvanized for superior corrosion resistance
- Sizes to match finish job needs: 1-1/4 in. L to 2-1/2 in. L
- Chisel point nails reduce wood splitting
- Precise nail strip collation matches nailer specs for fewer jams and misfires
- Recommended for use with the Paslode 16-Gauge angled finish nailer (not included)
- Includes 2000 nails
