**LOT 465 - [MSRP: \$16.48] Vent Fan Motor**

**Description**

Restore your extractor fan to optimal working condition with the Supco Vent Fan Motor (EM555). It s a direct replacement for Nutone s most popular vent hoods. The vent fan replacement motor operates at 120V and 3 000 RPM. It includes a wire and two-prong plug for easy installation and two bolts for safe and secure mounting. The motor is an ideal replacement for a broken or damaged unit.

**Quantity:** 1
