LOT 410 - [✓] [MSRP: \$249.00] B-Air 1/2 HP Air Mover for Janitorial Water Damage Restoration Stackable Carpet Dryer Floor Blower Fan with Handle Grey

Description

The B-AIR Vent VP-50H Air Mover with telescopic handle and wheels is the perfect blower fan for those in the carpet cleaning and hospitality industries. This powerful unit with its compact rotomolded rotational designed exterior gives it the strength to withstand any knocks and whacks. The powerful 2 speed horsepower SEALED MOTOR provides the extra strength of wind power needed to dry any medium to large carpet cleaning job. Quickly drying freshly cleaned carpeting or floors is a must for any carpet cleaning or hospitality crew and the B-AIR Vent VP-50H Air Mover utilizes the power of the horsepower engine to circulate 2820 Rated CFMs of air across floors. To power through the unit can be positioned at two angles 0 and 90 for getting around corners or drying stairs. Easily grab and position the blower where it is needed with the plastic ergonomic handle and a 25 ft attached cord. Even for this powerhouse machine it only draws 4.5 amps. Additionally construction janitorial and painting professionals w
