**LOT 409 - [✓] [MSRP: \$149.00] Milwaukee PACKOUT 22 in. 2-Drawer Tool Box with Metal Reinforced Corners**

### Description

Description: The Milwaukee 48-22-8442 2-Drawer Packout Tool Box with Drawer Dividers is a must-have addition to any packout modular storage system. It has a 50-pound weight capacity and a locking storage bar so that the drawers remain secure during transport. This tool box is constructed from impact-resistant polymers all-metal ball bearing slides and metal reinforced corners for excellent durability. The drawer layout can be customized with the included quick-adjust divider. Customize your storage space with the convenience and portability of this packout modular storage option.
