Description

About This Product - 5/8 in. Dia x 75 ft. Flexible FlatJacket Garden Water Hose

Experience the ultimate in gardening convenience with the HydroTech FlatJacket? Hose. This 75-foot hose with a 5/8 inner core is lightweight and flexible making it easy to carry and store. No more dealing with a tangled mess before and after you work! Crafted from durable materials that protect against mold and mildew this hose resists tears and abrasions due to its unique design. Enjoy reliable performance and optimal water flow thanks to Patented Force-Control Technology that protects from bursting

and breaking. HydroTech hoses come in a variety of styles and lengths to fit any size garden lawn boat or car. Water anything anywhere with HydroTech.
