LOT 315 - [✓] [MSRP: \$35.47] Kwikset Juno Venetian Bronze Entry Door Knob Featuring SmartKey Security

Description

About This Product - Kwikset Juno Venetian Bronze Entry Door Knob Featuring SmartKey Security

Step up to designer styles and superior security with Kwikset Signature Series products. Juno™ door knobs combine classic charm with modern functionality. The iconic mushroom shape is a symbol of style and evokes a sense of tradition with each turn. The knob's smooth surface offers a comfortable grip, while its timeless design elevates any décor. Both levers/knobs can be operated by a key on the outside or thumb turn on the inside. The Venetian Bronze finish is hand-rubbed to reveal unique bronze highlights and provides a rich and warm complement to the product's style.

Highlights

- Keyed entry: use on doors where extra security is needed, turn piece interior locking, exterior locking using a key, recommended for exterior-facing doors
- Smartkey security: Kwikset's smartkey security technology protects against advanced break-in techniques and allows you to re-key your lock yourself in seconds
- Easy install: do it yourself, installs in minutes with just a screwdriver, all the hardware you need is included for a hassle-free installation, detailed directions provided
- Fits Standard doors: Fits standard size doors 1-3/8 in. to 1-3/4 in. thick, adjustable latch backset from 2-3/8 in. to 2-3/4 in. with just a twist during installation
- Box include: keyed exterior knob, interior knob, screws, adjustable latch, 2 keys, strike plate, smartkey tool, installation hardware, install guide
- Certified trusted quality: security, durability and finish are grade 2 BHMA certified, designed to withstand everyday use and common forced entry break-in methods
- Warranty protections: our products are backed by a lifetime mechanical and finish warranty with great customer service, see kwikset warranty for more details
- Microban protection: Kwikset's door hardware is treated with microban, this offers powerful product protection that is 99.9% cleaner than an unprotected surface
- Transitional design: available in a beautiful, transitional door hardware style with simple, unique details to match your home decor
