Description

About This Product - ARFL 400-Watt Equivalent, 8000 Lumens, Selectable CCT, Integrated LED, Arch Wall Flood Light with Motion, Bronze

The Outdoor ARFL LED Slim Security Floodlights are a full family of versatile floodlights designed to provide maximum light output in an aesthetically pleasing form factor. Available in 4-sizes and lumen packages, with 5-selectable light color temperatures that can be changed using the included remote control. This floodlight can be either used as a Switch Activated floodlight or Dusk to Dawn by using the selectable button on the remote control. This Slim Wall/Floodlight can be mounted on

a wall using the included decorative wall plate very simply and easily or it can be mounted on the ground or on standard center hole junction box covers. Delivers super bright light up to 9600 Lumens of glare-free light, is constructed from corrosion resistant die-cast metal housing and will last more than 50, 000-hours of maintenance-free use. Knuckle mounted (15-Watt, 30-Watt, 60-Watt, 80-Watt) models available, adjust the tilting light head without requiring tools. Color: Bronze. Material: Aluminum.
