Description

About This Product - Husky 6-Ton Hydraulic Bottle Car Jack

About This Product - Husky 6-Ton Hydraulic Bottle Car Jack

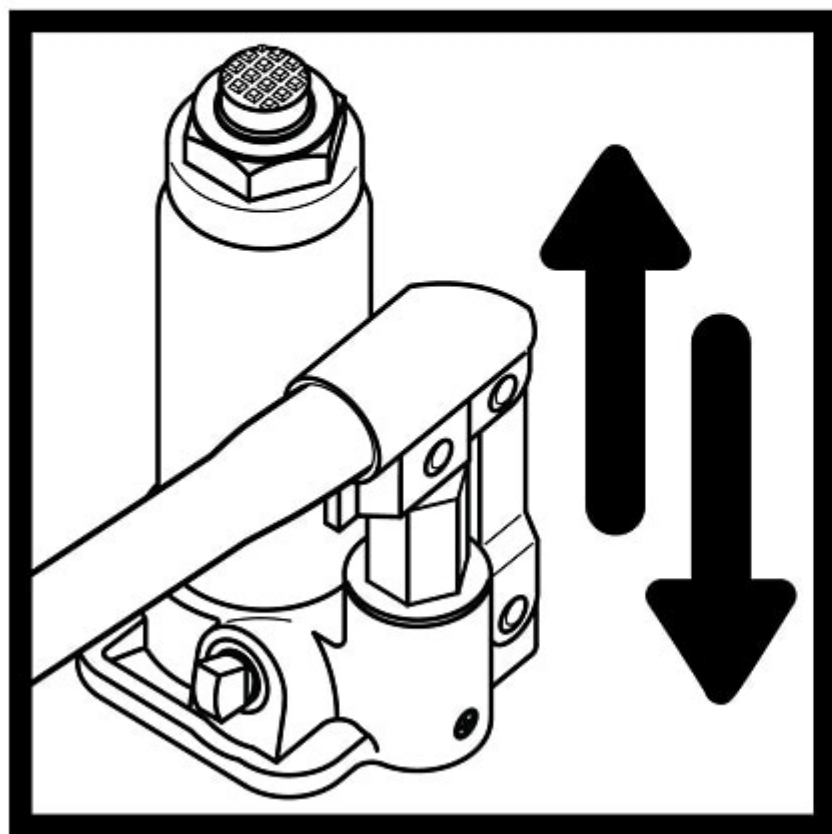

Introducing the versatile Husky 6-Ton Bottle Jack, purpose-built for automotive, industrial, farming, and construction applications. This hydraulic bottle jack boasts a robust 12,000 lbs. lifting capacity and offers a lifting range from 8.5 inches to 16.25 inches, providing the flexibility needed for various lifting tasks. Crafted from heavy-duty iron, this bottle jack ensures reliable support and durability in demanding

environments. The adjustable load saddle simplifies positioning, allowing for secure and precise lifting of objects. Enhance your Husky collection with the addition of the Husky 6-Ton Bottle Jack, a dependable tool designed to tackle a wide range of lifting challenges with ease.
