LOT 276 - [✓] [MSRP: \$15.98] Husky T-Handle Faucet Seat Wrench

Description

About This Product - Husky T-Handle Faucet Seat Wrench

Husky's T-Handle Faucet Seat Wrench is great for removing and replacing tub and shower faucet compression seats. A 4-in-1 tool it includes 2 double-ended bits; tapered and 6-step. Extra blade storage in the handle helps avoid blade loss. A dual-material grip provides extended user comfort. Easy to use and backed by the Husky lifetime warranty for satisfaction guaranteed. Double-ended tapered or 6-step wrench size to fit most faucet seats. Spare bit can be stored into handle. 2 double-ended bits included. Dual material handle for added comfort.
