Description

About This Product - Leviton 15 Amp Decora Combination Tamper Resistant Duplex Outlet and USB Outlet, White T5632-W

Our USB Charger Devices feature a smart chip that recognizes and optimizes the charging power of your electronic devices for fast and efficient charging. Strategically placed vertical USB Ports in all models provide generous room to insert and maneuver charging cords and add to the contemporary and aesthetically appealing design. Plus, adapter-free charging eliminates unsightly clutter contributing to a neat appearance on countertops, desktops or wherever you choose to charge. Engineered for compatibility with the latest technology, Leviton USB Charger Devices are designed to

charge tablets, smart and mobile phones, gaming devices, e-readers, digital cameras and a host of other electronic devices.

Highlights

- Smart: built-in smart chip recognizes the individual device's charging requirement to optimize the charge
- Powerful: 2 high-powered charging ports deliver a combined total of 3.6A charging current and 18-Watt of power
- Convenient: no more searching for charging adapters, upgrade so you can charge electronics while leaving the outlets free for additional power needs
- Easy: shallow depth for easier installation
- Enhanced safety: built-in overcurrent protection helps protect the electronic from receiving too much power which can damage the device
- 3.6 Amp charging capacity
- [Captain Code 2023 NEC Code Changes](#)
