Description

About This Product - Leviton 15 Amp Tamper Resistant Type A/C 3.6 Amp 18-Watt USB Outlet (1-Pack)

This In-Wall USB Charger is an ideal adapter-free charging solution for smartphones and other small devices. It offers users the option of a Type A port or a Type-C port to conveniently meet the needs of a wide range of devices-from older models to the latest technology. Leviton USB Chargers have built-in smart chip technology that recognizes the individual device's charging requirements to optimize the charge. Additionally, all outlets are Tamper-Resistant for enhanced safety.

Highlights

- Built-in smart chip recognizes the individual device's charging requirements to optimize the charge (does not provide power delivery. see Leviton T5634, T5635, T5636)
- Powerful-2 high-powered charging ports deliver a combined total of 18-Watt of power
- Ideal-perfect for overnight charging for smart phones and other small devices, not for laptops
- Convenient-no more searching for charging adapters, upgrade your existing outlets so you can charge up to 2-USB powered devices at once, leaving the outlets free for additional power needs, wall plate sold separately
