**LOT 249 - [✓] [MSRP: \$29.98] Chamberlain myQ Smart Garage Control with WiFi Hub**

### Description

#### About This Product - Chamberlain myQ Smart Garage Control with WiFi Hub

Have easy access to your garage with this Chamberlain myQ smart garage control. It works with Amazon Key to allow convenient in-garage delivery. With the myQ guest feature, you can safely share access with others.

## Highlights

- Smartphone control: secure and monitor your garage door from anywhere and receive real-time notifications when your garage door is opening or closing
- Compatibility: Works with most brands of garage door openers manufactured after 1993 that use photoelectric sensors that do not shut off, it is not intended for use with openers in which the photoelectric sensors located near the bottom of the garage door change power mode (e.g., lights on the sensors turn off after the door is closed), or any Chamberlain Group opener with a yellow learn button manufactured between 2010 and 2021, or any Linear opener
- Works with Amazon Key: Enables convenient In-Garage Delivery
- Improved setup: Bluetooth Low Energy (BLE) integration makes setup easier than ever, just download the myQ app and follow the in-app instructions to get set up in minutes
- Guest access: securely share access to your garage with people you know and trust with the myQ guest feature (note: this is not intended for guests under the age of 16)
- Chamberlain myQ devices, including the Smart Garage Hub and Smart Garage Control, require a 2.4 GHz Wi-Fi network for setup and operation, ensuring a strong signal within 50 feet of the router
