### Description

**About This Product - Commercial Electric 11 in. 12.5-Watt Dimmable White Integrated LED 875 Lumens Round Flat Panel Flush Mount Ceiling Light Color Change 5CCT**

Get the right light for any situation or task with the Commercial Electric 11 in. White Round Dimmable LED Flat Panel Ceiling Light Fixture Flush Mount with Selectable Color Temperature. Its ultra slim, low profile design (less than 1 in.) is perfect for any low ceiling area and the no-glare, edge-lit LEDs are integrated so there are no bulbs to replace. with our selectable color switch, you can preset your preferred light color

temperature: soft white, neutral white, bright white, daylight or daylight deluxe (3000K/3500K/4000K/5000K/6500K) or set it to switch, for an easy toggle between color temperatures with a simple flip of a standard light switch. with multiple light color temperatures to choose from, along with full range dimming (with a compatible dimmer), your lighting can suit your mood. This energy-efficient fixture uses 12.5 watts of electricity—up to 80% less than a standard incandescent light bulb—and delivers uniform light distribution with 875 lumens. The modern streamlined design of the LED flat panels, combined with patent-pending, easy-to-install mounting brackets, enables simple installation in both residential and commercial settings. With an average lifespan of 50,000 hours (approximately 45.7 years) and an estimated annual energy cost of only \$1.51, this flush-mount ceiling light is ideal for kitchens, bathrooms, bedrooms, living rooms, and various commercial applications.

## Specifications

Actual Color Temperature (K): 3000,3500,4000,5000,6500

Color Rendering Index (CRI): 80

Color Temperature: Adjustable White

Color/Finish: White

Color/Finish Family: White

Damp/Wet Rating: Damp Rated (Covered Outdoor),Dry Rated (Indoor)

Dimmable Capability: Dimmable

Features: No Additional Features

Included: Mounting Hardware

Light Bulb Type Included: Integrated LED

Location Use: Garage,Office,Warehouse

Lumens: 875

Material: Aluminum

Package Quantity: 1

Power Source: Hardwired

Product Length (ft): 0.92 ft

Product Weight (lb.): 2.25 lb

Product Width (ft): 0.92 ft

Recommended Mounting Height (ft.): 8 ft

Returnable: 90-Day

Voltage (V): 120 V

Wattage (W): 12.5 W

Certifications and Listings: ETL Listed,FCC Listed

Manufacturer Warranty: 5 Years

Product Height (in): 1.06

Product Length (in): 11 in

Product Width (in): 11
