**LOT 148 - [✓] [MSRP: \$36.56] Unbranded 8 ft. Complete Airtight Semi-Rigid Dryer Vent Hook Up Kit for 4 in. Duct**

### Description

#### About This Product - Unbranded 8 ft. Complete Airtight Semi-Rigid Dryer Vent Hook Up Kit for 4 in. Duct

Airtight venting products allow for cleaner, stronger and more efficient venting systems. The patented Fusion Seam provides 5x better air flow than standard venting products and lasts longer than other thin, snap lock pipes. This complete dryer venting kit includes everything you need for a new dryer installation, or to replace an existing dryer transition duct. Kit includes 8 feet of 4 inch Dia semi-rigid duct, 2 clamps and elbow connectors. Elbows come pre-connected to the transition duct, for a quick and easy installation. The smooth walls of the elbow connectors help reduce lint build-up

and improve efficiency by ensuring better air flow to the outside exhaust vent. All components are made from aluminum to deliver better heat resistance. Semi rigid duct is rated UL 2158A for dryer venting.

## Highlights

- Stronger construction - the patented fusion seam creates a solid, 1-piece construction that won't fall apart
- Helps stop moisture from entering walls to help prevent mold and mildew
- Increases airflow reducing lint buildup
- Helps dryer operate at peak performance
- Also for bathroom, HVAC systems, general purpose venting

## Specifications

Construction: One piece

Gas Vent Pipe and Fittings Accessory Type: Dryer Vent

Material: Aluminum

Minimum compatible pipe size (in.): 4

Pack Size: 1

Product Weight (lb.): 2.25 lb

Returnable: 90-Day

Manufacturer Warranty: No

Maximum compatible pipe size (in.): 4

Product Depth (in.): 16.5 in

Product Height (in.): 5 in

Product Length (in.): 16.5 in

Product Width (in.): 12.75 in

## Product Information

Internet # 313301367

Model # ATFAUL0408K

**Quantity: 1**
