Description

About This Product - RYOBI ONE+ 18V Cordless Soap Dispensing Scrubber (Tool Only)

The RYOBI 18V Soap Dispensing Telescoping Scrubber is the ultimate tool for effortless and efficient cleaning. Say goodbye to manual scrubbing and backaches, and let this motorized scrubber do the hard work for you. Its cordless, lightweight design offers ultimate portability, both indoors and out. Featuring integrated soap and water dispensing technology, simply spray the included RYOBI Soap Solution and let the scrubber power through dirt and grime. This scrubber is compatible with over 25 Hex Shank and Triangle Connector accessories – ranging from plush microfiber for gentle

cleaning to abrasive bristles for material removal (sold separately). The included 7" VORTEX Medium Bristle Brush is ideal for cleaning tile, fiberglass, siding, and more. The 6 position pivoting head and 51" telescoping pole allows you to clean hard to reach areas both high and low. You can clean with confidence knowing the scrubber's battery enclosure is IPX7 Water Resistance Rated – meaning this tool can be submerged in up to 3 feet of water for 30 minutes. Best of all, it is part of the RYOBI 18V ONE+ System of over 300 Cordless Products that all work on the same battery platform. This 18V ONE+ Soap Dispensing Telescoping Scrubber is backed by the RYOBI 3-Year Manufacturer's Warranty and includes a 7" VORTEX Medium Bristle Brush, 8oz. Soap Solution and Operator's Manual. Battery and charger sold separately.
