### Description

**About This Product - Glacier Bay Bratten 33 in. Drop-In Single Bowl 18 Gauge Stainless Steel Kitchen Sink with Pull-Down Faucet**

**About This Product - Glacier Bay Bratten 33 in. Drop-In Single Bowl 18 Gauge Stainless Steel Kitchen Sink with Pull-Down Faucet**

Glacier Bay all-in-1 dual mount kitchen sink can be installed as either a top-mount or under-mount. The sink is made of premium 18-Gauge stainless steel with a brushed finish to provide long-lasting use, while the insulated coating on the underside reduces waste disposal and water noise to help keep your kitchen quiet while you work. The stainless-steel faucet with pull down sprayer head features turbo spray, which provides focused water columns with 30% more power than your standard pull-down faucet and fast mount mounting system for easy installation.

## Highlights

- Installation instructions included with easy-to-follow pictures for simple installation
- Brushed nickel faucet with pull-down sprayer features turbospray and exclusive fastmount mounting system
- Kit includes: sink, faucet, bottom grid, drains and strainer, soap dispenser, top-mount clips, cutout template and instructions
- 1-large and easy to clean bowl, this sink provides plenty of space for food preparation and cleaning tasks
- Drain position in the center and 2-pre-drilled holes to accommodate the included faucet
- Dual mount option, can be top mount or under mount
- Brushed stainless steel
- Top-mount clips will fit countertop thicknesses of 0.47 in. -1.5 in.
- Under-mount clips not included
- NSF/ANSI/CAN 61: Q ≤ 1
