Description

About This Product - COOLULI Concord 0.7 cu. ft. Retro Mini Fridge in Black without Freezer

The Concord-20LDX Thermo-Electric Cooler/Warmer Mini Fridge by COOLULI is the epitome of efficiency and style. Easily switch from cooling to warming with the touch of a button the Concord's digital thermostat and easy-to-read display allows you to set your desired temperature for the ultimate in climate control. Once desired temperature is reached, your Concord goes into ECO mode, using just about half the power saving you energy (and money). The Concord is perfect anywhere you need to store wine, food, beer, snacks, drinks, breast milk, insulin, skincare, personal care, and

beauty products, medicine and other essentials at a specific temperature. Its modern design features a compact yet spacious, 20-liter capacity and a tempered glass front. A molded inset carry handle on each side makes transport easy and convenient. Use it everywhere the Concords sleek, stylish construction matches any decor; it's the perfect addition to your home, countertop, business/office, dorm, hotel room, car/motor vehicle, or on your next road trip or tailgate party. Exclusive EcoMax Technology features COOLULI's unique cooling system, utilizing an advanced dual-core design; its ultra-powerful yet incredibly quiet and efficient. The Concord is 100% environmentally friendly and uses no refrigerants or Freons. Cools down to: 40 below ambient temperature. Warms up to: 149° on internal thermostat. All COOLULI products are backed by a one-year limited warranty and COOLULI's unparalleled customer service.
