Description

About This Product - Feit Electric 60W Equivalent B10E12 Candelabra Dimmable Filament CEC Frosted Glass Chandelier LED Light Bulb Soft White 2700K (2-Pack)

Feit Electric filament torpedo B10 LED bulbs let you enjoy all the benefits of advanced LED energy-saving technology with a high-CRI decorative bulb. The BPCTF60927CAFIL/2/RP emits 500 Lumens of light while using just 5.5 Watts (60-Watt equivalent) of electricity, and estimated energy costs only \$0.66 per year. It's 2700K Soft White glow perfectly sets a relaxing, cozy atmosphere ideal for spaces that need a light source

without the worry of a harsh glare. Use this bulb in any fixture with a Candelabra E12 base socket such as chandeliers, wall sconces, coach lanterns and more. Marry the feel and look of classic bulbs with the advantage of LED technology. It's stylish traditional design with a filament encased in frosted glass instantly livens up the decor of any room all while saving up to 90.8% more energy than standard bulbs and lasting up to 15,000 hours. A 90+ CRI brings out true colors making them look vibrant and skin tones look natural. This bulb is fully dimmable giving you the ability to dim down when watching movies, having a romantic dinner or up when you need to focus on other tasks such as homework. Create a long-lasting, energy-efficient beautiful glow that brightens your home and commercial space.
