**LOT 46 - [✓] [EXT MSRP: \$209.91] Metalux 2 ft. x 4 ft. 4500 Lumens Integrated LED Flat Panel Light 4000K**

### Description

#### About This Product - Metalux 2 ft. x 4 ft. 4500 Lumens Integrated LED Flat Panel Light 4000K

The Metalux CGFP LED Panel uses back-lit LED technology with specialized optics to create an aesthetically-pleasing, high-quality and versatile product. This LED panel light comes with white aluminum trim and frosted lens for a smooth, uniform, glare-free appearance. It has a 120-277V FCC Class B dimming driver. The CGFP provides over 4800 (2x4) at 41W lumens and replaces 96W fluorescent lamps. The CGFP shallow panel can be installed in grid ceilings or surface and suspended applications using an

accessory kit. This panel light is best suitable for residential spaces, schools, offices, basement and commercial locations.

## Highlights

- Over 4800 (2x4) lumens at 41W replaces up to 96-Watt of fluorescent lamps
- Die-formed steel housing, aluminum miter corners, provide durability and clean finished look
- UV and scratch-resistant acrylic provide uniform, glare free illumination
- Shallow plenum design fits any type of ceiling,
- Easy handling and installation due to light weight
- Integral grid clips are provided for added safety
- Low-voltage 0-10V dimming requires grey and purple wires from light fixture to 0-10V dimmer switch
- 120-277V, FCC rated class B driver
- Use in recessed, surface or, suspended applications (additional accessories kits needed)
- Ideal for schools, offices, healthcare facilities, retail spaces, and many residential areas
- L70 at 50,000 rated life-hours
- Title 24 and UL listed suitable for Damp location
- [Click here for more information on Electronic Recycling Programs](#)
